

XXIII ISPRS Congress
12 – 19 July 2016 Prague, Czech Republic

EXTENDED DEADLINE FOR FULL PAPER SUBMISSION UNTIL 13 DECEMBER

[The International Society for Photogrammetry and Remote Sensing](#) is a non-governmental organization devoted to the development of international cooperation for the advancement of photogrammetry and remote sensing and their applications. The ISPRS Congress is the most important ISPRS meeting and is organized every four years. Each Congress is an assembly of several thousand scientists and professionals. ISPRS has thus created a platform for specialists from different, yet interrelated areas of the geospatial field.

ISPRS welcomes all papers presenting new results, achievements, methods and theory committed to helping to forward the present level of knowledge. Two main submission options are available: ABSTRACT and FULL PAPER with **deadline: 13 December 2015**.

- Submitted Abstract is reviewed and will be published in the ISPRS Archives.
- Submitted Full Paper is double-blind reviewed and will be published in the ISPRS Annals.

To find more information about deadlines and conditions check out the [Congress website](#).

All interested organizations are welcome to participate at the Congress as exhibitors. Profit from the opportunity to present your products and services to the leaders in the field.
