

**Report about the Congress Accompanying Workshop from 11th to 31st July, 1980
for invited participants from developing countries organized by the Carl-Duisberg-Gesellschaft
on behalf of the German Ministry for Economic Cooperation**

Within the program of workshops on surveying and mapping sponsored by the Federal Ministry of Economic Cooperation it became possible to organize a Congress Accompanying Workshop in conjunction with the XIV. International Congress for Photogrammetry and Remote Sensing. Two former workshops were held in Berlin (West) in 1974 and in Hannover 1978 on cadastral surveys and land information. The 1980 workshop in Hamburg concentrated on new photogrammetric technologies of significance to developing countries.

32 participants were invited from the following developing countries: Benin, Brasil, Burma, Columbia, Congo, Costa Rica, Cyprus, Ethiopia, Ghana, Haiti, India, Iraq, Ivory Coast, Jordan, Kenia, Liberia, Madagascar, Malavi, Nepal, Nicaragua, Peru, Philippines, Sansibar, Sudan, Tanzania, Togo, Tunisia, Upper Volta, Zambia.

The chairman of the workshops was *Professor Johannes Nittinger* of Hannover, the organization was carried out by *Mrs. van Gülpen* of the Carl-Duisberg-Gesellschaft, advisor to the workshop were: *Mr. Bastian*, director of the Survey of Rhineland-Palatinate and the Congress Director *G. Konecny*, Tutors to the workshop were: *Dr. Lindig* of IfAG, and *Mr. Noack* of the Survey of Rhineland-Palatinate.

The workshop program consisted of

- 1) participation in selected congress discussion and papers
- 2) visits of the exhibit
- 3) post congress evaluation discussions
- 4) technical visits at the Survey of Rhineland-Palatinate in Koblenz and at the school for photogrammetric operators in Stuttgart.
